

## Flowcrete Flies High at Passenger Terminal Expo

Flowcrete will be showcasing its range of specialist flooring systems – all designed for the airport sector - at the Passenger Terminal Expo 2009.

The global flooring manufacturer is at stand 1660 at the three day event, which takes place between 24 - 26 March, at ExCel in London.

Flowcrete offers a complete range of flooring solutions, which have proved popular at international airport environments across the world - from Manchester to Dubai and Luxembourg to Jamaica.

Products include the decorative ultra-fast track floor finish Flowfast, which is ready for use just two hours after installation, as well as hygienic floor finishes ideal for airport kitchens.

Flowcrete's Deckshield car park decking system - the product of choice at airports across the world – as well as the company's time-proven Isocrete screeds, which have provided the firm foundations for airport new build and refurbishment projects globally, will also be on show.

Alan Dean, sales director of Flowcrete, said: "Flowcrete is a world leader in innovative flooring and has helped to find a solution to the flooring needs of some of the world's major airports.

"Our presence among more than 200 exhibitors at Passenger Terminal Expo will further raise

awareness of Flowcrete's innovative solutions for every type of flooring challenge."
